When disaster strikes, you will want to stay updated on the situation, confirm the safety of family and friends, and find a safe evacuation route. Your TV and phone may not work, so it's important to be able access to the right information.

Saitama City has created a disaster prevention app for smartphones and tablets that provides various relevant information all in one place for everyone to access.

With the help of this life-saving tool, foreign residents of Saitama City can easily acquire accurate and up-to-date disaster prevention and evacuation information, so please download it.

1. Push notifications of evacuation information
2. Flood hazard map
3. Evacuation shelter search and opening status
4. Pinpoint weather status
5. Disaster prevention public radio broadcast
6. e-Book
7. "My Timeline" creation tool
8. Safety confirmation tool

1. Evacuation center opening status, route guidance, congestion status
2. Disaster situation information
3. Safety confirmation

* * Let people know you're OK * *

If you register your information in the app, you can easily let your family and acquaintances know your safety status and current location.

* * Find out * *

You can search for people by name or phone number

How to download the disaster prevention app

Search for "Saitama City Disaster Prevention OR download here

iOS版(App Store)

Android版(Google Play)
